WESTERN UNION.

O. CLEMENS, Editor and Publisher.

CITY OF HANNIBAL, MO., SEPTEMBER 11, 1851.

VOL. 2--NO.

DEATH OF THE EDITOR OF THE QUINCY WHIG. The Quincy Whig comes to us in We clip the following from remarks by a cormourning for its late able Editor, Mr. S. M. respondent of the St. Louis Republican:

Col. Crittenden, one of the unfortunate vic-

evident that considerable solicitude is felt in England about the discussion in Canada, on the subject of "annexation" to the United the subject of "annexat States. Those "loudest in its favor are the wholly unknown at Havana, the whole her the agitation of the slavery question, and beginning to the state of the Roman Catholics and the old party of the Fambassed down the Bahama channel, and were undiscovered until within a few leagues of the North and South. We stand ready, for our

igating the air has at last been resolved.

dence, about four miles from Mt. Pleasant, a portion of the river bottom, with a small part of the bed of the river, in size about the area of an acre, sank down all at once about six feet, leav-sacre, sank down all at once about six feet, historical will afford some idea of the ing a bank around the sinking ground, and in military resources of a country, which a parcel object in these organizations, which I presume places yawning gaps or crevices, some of which have since partly closed up. Mr. Britton was present at the time it happened, and ran a pole them, thrown upon the shores by crazy vessels, without may protection, without magazines, which I presume will become numerous throughout the United States. It may be remembered that, in the riot at Hoboken last spring, a band of Germans, clad uniformly in white, and armed, were observed. down one of the crevices a number of feet through soft earth, resembling in some respects, quicksand. The ground which gave way was quicksand. high, dry, tillable land,

The deaths for the year ending 30th June, 1850, are thus stated: were 19,418; 1 in 50. According to this the The great bell of St. Paul's, Longeneration in Missouri is 50 years.

The Charleston (S. C.) Mercury is op- Bell of the Palazzo at Florence, posed to Cuban annexation. One reason is, that St. Peter's at Rome. as South Carolina is preparing to fight her way Great bell at Erfurth, out of the Union, she will make no special ef- St. Ivan's bell at Moscow, forts to draw other States into it. The article Bell of the Kremlin, of the Mercury concludes as follows.

We do not, therefore, fear the annexation of a steam engine to ring it. Cuba, because of any fatal drain in our slave population. But because its Union with the United States—even if it could be effected without the process of war, and the imminent risk States Troops garrisoning the forts of that harof an entire disorganization of its social and in- bor "the Army of Occupation," and strives in dustrial system,-would be incongruous and un- every way to excite edium against the officers natural; because it is for the interest of the and men, and to stir up bad blood between them South, that there should be other slave and the citizens. We presume the United States countries than our own, and because our have a right to occupy their own forts, and no military stationed at our place to proceed at experience has latterly afforded a most impres- harm done either. Do the Disunionists intend once to New Orleans. In a half an hour after sive demonstration of the time-honored theory to seize and occupy the points in question themof philosophers, that a wide extent of dominion is incompatible with the preservation of repubin the matter. There are other States to be way to New Orleans in a half an hour after the spr24y by COLLINS & BREED. lican institutions. We are already feeling that consulted besides South Carolina. If the South order was issued in the Crescent City! We JUST opened a fine lot of BOOTS and SHOES of the central government. Give us Cuba, used there will be a deeper feeling excited against to the central government. Give us Cuba, used there will be a deeper feeling excited against pected movement; we think the most plausible beautiful excelsion kid ties for the Ladies—at of the central government. Give us Cuba, used them in Virginia and the South generally than to the control of an army, and from its insular them in Virginia and the South generally than one is, that the troops are required to aid the authorites in New Orleans in keeping armed men from proceeding to Cuba. Whatever may be would become an uncontrollable despotism!

SWIMMING MACHINE.—The Paris corres-pondent of the Republican describes a very sim-merates various circumstances (such as the pected by the world by acting conscientiously ple apparatus for swimming. Cork and leather landing, a few days ago, of the two companies are the materials used in its formation. It can of United States Soldiers at that post, and the be put on over the clothes:

The machines are not at all ugly, and are made for ladies as well as gentlemen. A friend who saw the experiments with them on Sunday, disputable evidence that preparations have been told me that it was the most curious spectacle steadily and systematically made for some time possible, to see half a dozen persons walking a-bout in the water, and exercising, and amusing themselves in various ways. One smoked his two others spread out a table and cat a comfort- ton is surrounded by an extraordinary force for able meal, while two more lay dozing on the water as quietly and calmly as if they had been on a feather bed. The Minister of the Marine cise of its sovereign rights.—[N. Y. Jour. of was so much pleased with the report made, that Commerce. he immediately gave orders for the manufacture of a large number to be used on board the

BALTIMORE, August 29. There is great excitement to-night; a crowd of several hundred persons are parading the streets with the effigy of the American Consul at Havana, which they intend to burn.

Strength of Cuba.

sends our young men there wholly unprepared to meet what these advisers know they have to encounter. They are thereby surprised and the encounter. They are thereby surprised and the Col. Crittenden, one of the unfortunate victims shot at Havana, was a son of the Hon. Henry Crittenden, late of Shelby county Ky., and a nephew of the Hon. John J. Crittenden, Attorney General of the United States.

A tremendous Cuba meeting was held at Memphis, Tenn., on the night of the 31st ult.

We have received an extra Daily Washington Globe, containing a list of all the appropriations of money made during the last session of Congress; also a statement of the offices created, and the salaries of each; and also, a statement of the offices the salaries of which have been increased, and the amount of such increase: published in pursuance of an act of Congress passed the 4th of July, 1836.

Edinburgor Review.—The July number of the solution of the size on the globe. Her wealth to her population is unparalleled, except in the great commercial cities of the world. Her port duties are more than ten millions of dollars, and her other resources from taxes, some six or seven millions, and that in a population of a million and a half of people.—Havana, her capital, was once taken by the English, when Cuba was not half what she is now in population or strength, and their preparation for the expedition may give some clue to what British statesmen thought of her resources from the ocean in slave ships, and are ready to take the coean in slave ships, and are ready to take the coean in slave ships, and are ready to take the coean in slave ships, and are ready to take the coean in slave ships, and are ready to take the ocean in slave ships, and are ready to take the coean in slave ships, and are ready to take the coean in slave ships, and are ready to take the coean in slave ships, and are ready to take the ocean in slave ships, and are ready to take the coean in slave ships, and are ready to take the coean in slave ships, and are ready to take the coean in slave ships, and are ready to take the ocean in slave ships, and are ready to take the coean in slave ships, and are ready to take the coean in slave ships, and are ready to take the coean in slave ships, and are ready to take the ocean in slave ships, and are ready to take the coean in slave ships, and are ready to take the coean in slave ships, and are ready to take the coean in slave ships, and the ocean in slave s EDINBURGH REVIEW.—The July number of this Review is on our table. From a criticism on "Johnson's Notes on North America," it is evident that considerable solicitude is felt in vessels of all classes. Nineteen of them were world will agree ought never come under the States. Those "loudest in its favor are the wholly unknown at Havana, the whole fleet the agitation of the slavery question, and beget ily Compact."

Navigating the Air.—The Paris correspondent of the Republican says Mr. Petin will pondent of the Republican says Mr. Petin will bor with thirteen ships of the line, two frigates, also, the question whether the line will arise, also, the question whether the line will arise are prepared to take the ground—thousands of others are prepared to take the ground—thousands of others are prepared to take the same position—that no new slave State is to be received into the Union. soon prove to the world that the problem of nav- and other vessels, with the store-ships. The reduction of the blacks to servitude shall be re-Spaniards had only about four thousand six hundred troops—but they immediately embodied the mariners and sailors, amounting to nine thousand had only about four thousand six hundred troops—but they immediately embodied the mariners and sailors, amounting to nine thousand she held the Island and exercised the legislative new monthly newspaper started at Cincinnati, of which we have just received the fourth numof which we have just received the fourth numof which we have just received the fourth number. It is distributed gratuitously to subscribers to the "Artists' Union," of Cincinnati; a dollar only is charged for subscriptions to the paper. It is a beautiful paper, and the varied interest of its contents, make it well worth a dollar.

This was on the 7th of June; and after a succession of attacks, and a continued bombardment of the Castle, the Moro surrendered on the 30th of July, and the city on the 14th of August succeeding. The English held the city until the peace, which was concluded the following year, when it was restored. The Cubans immediated whether they are not therefore, still entitled to freedom. These questions will be debated with a warmth to which the present state of the quarrel on the slavery question is mere apathy.

The German's resident in the city of New York have convented to the paper. THE BOTTOM FALLING OUT OF A RIVER.—
